

BeenThereSailedThat.com

beentheresailedthat.com provides sailors with the ability to perform live regatta tracking or post-regatta race playback.

Relive your moments of victory...watch the winners as they tack for the next shift...show your friends and family what your hobby is all about. It's all here. A simple, intuitive interface provides access to clubs and races around the country. Select your club, select the race, and watch the action unfold.

Stuck at the bar? No problem, you can watch the race *as it happens...LIVE!*

Realtime data can be added to the server via the **BTST Upload** smartphone app. Data can also be uploaded via the app after the race is over. Don't have a smartphone? Ok. Use your Velocitek or GPX-enabled GPS to record your track, and then visit the website to upload the trackfiles directly to the race.

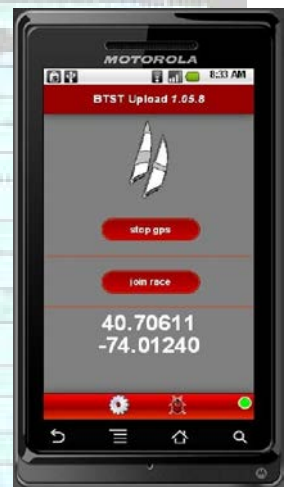

1 second *live* feedback.

Create and/or join a race.

Check on competitors.

Get the app from [Google Play](#) or the [Amazon App Store](#).

It's only \$1.99 for lifetime updates.
