

PROCLAMATION

The International Board of Directors and the Members of
the **International Viper 640 Class Association**
hereby recognize the contribution of
the **Flying Scot Sailing Association**

who, for the past fifty years, has exceeded the expectations of
the **Gulf Yachting Association.**

by providing a competitive and able yacht design upon which GYA member clubs
have been able to compete for the **Auguste B. Capdevielle Memorial Trophy.**

The Flying Scot served the GYA exceedingly well, decade after decade, as its Capdevielle platform and also as the boat on which generations of GYA sailors learned to sail.

It is with full acknowledgment and appreciation of the long-standing contribution the Flying Scot Sailing Association made to the GYA that the International Viper 640 Class Association is honored to become the GYA's Capdevielle Championship boat effective January 2018.

In doing so, the International Viper 640 community recognizes that the Flying Scot Sailing Association set an extremely high standard of performance and service. We will endeavor to maintain those high standards as we look forward to racing in future Capdevielle Championships and sharing with sailors, young and old, our passion for the sport we love.

Proclaimed on this Second Day of September, 2017.

Justin Scott
Chairman

Steven Chapman
